About us

Top Printers was established in 2006. We started off as a unique digital printing house catering to all the digital printing requirements of major companies and design studios in Qatar. Over the years, after understanding our client requirements the company has evolved and diversified its products and services.

Currently we are not only a one-stop solution in Qatar for all digital printing requirements but also well known for providing almost all marketing and promotional requirements of our clients.

Our team of 100 Staff includes: Admin, Accounts, Sales & Marketing team, Designing team, Production team, Installation & Delivery team, Procurement & Sourcing team.

Our staff is highly trained and experienced in various categories of product manufacturing and finishing. Our installation and delivery team is capable of indoor and outdoor installations including vehicle graphics.

Our Procurement and sourcing department have offices in China to source the best products in the merchandising and corporate gift items.

We are located in the industrial area with warehouse, production, and office facility of 600 sqm in street 24 and a carpentry and painting unit of 400 sqm located in street 52.

Mission

To become the Middle East's market leader in the industry. Grow to become a world-class company that provides innovative; cost-effective; focused; diversified; high-quality environment friendly products & services.

Vision

To provide top quality products and services through our wide range of product categories. Achieve profitable growth through superior customer service, innovation, quality and commitment.

Core Values

Quality
Punctuality
Creativity
Teamwork

Infrastructure

We are equipped with the latest machines by world leaders in printing technology like Mimaki, OCE Colorado, OKI Large format printer, DGen Fabric 3.2 mtr, Xerox, Canon, Flexicam, Konsberg, Esko, SEI Laser, ZSK Jafa etc. With all these equipment in-house, we work proudly to provide quality results. Be it cards or catalogues, documents or images, Vinyl Digital Printing or Flex Digital Printing, Textile Printing, Signboard, Screen Printing, Promotional/Gift items or just about any other processing job. We are equipped to do it all. We have conducted a series of highly satisfactory campaigns for some of the best-known client's in the nation.

We are located in the industrial area with warehouse, production, and office facility of 6500 sq ft and a dedicated carpentry and painting unit of 400 sqm. Top printers can supply virtually any display system or product that you have in mind using a wide variety of media, including PVC, acrylic, textile, paper and many more.

With superior and impressive infrastructure, "Top Printers" provide faultless graphic process and perfect digital and multi color printing. The competent technical support system assures premium quality printing and finished product categories to all our clients, varying from Advertising & Publication agencies to big corporate houses in the country.
